Beet Chocolate Cake

Beet Chocolate Cake

From Zephyr Community Farm

2 cups sugar

2 cups flour

½ teaspoon salt

2 teaspoons baking powder

1 teaspoon baking soda

4 ounces unsweetened chocolate

4 eggs

¼ cup oil

3 cups shredded beets

Heat oven to 325 degrees. Grease two 9 inch cake pans. Whisk dry ingredients together. Melt chocolate very slowly over low heat or in a double boiler. Cool chocolate; blend thoroughly with eggs and oil. Combine flour mixture with chocolate mixture, alternating with the beets. Pour into pans. Bake until fork can be removed from the center cleanly, 40-50 minutes. Makes 10 servings
