2020 CSA Sign-up Form

Please register me as a member of McDougal's Farm LLC Community Supported Agriculture program for the upcoming growing season. I understand that farming is a seasonal and unpredictable undertaking, and that exact selection and quantities included in the weekly distribution will change as the season progresses. In joining the CSA, I agree to share in the fluctuation and variations inherent in farming and understand that my produce will be grown with sound chemical free sustainable farming practices.
